SPONSORSHIP OPPORTUNITIES

Increase your organization's visibility and prestige with an A&WMA Annual Conference & Exhibition sponsorship package

Sponsorship at the Air & Waste Management Association's 105th Annual Conference & Exhibition in San Antonio is the perfect way to show your company's commitment to the environment and to get your organization's name in front of thousands of the industry's leading professionals.

Each year, environmental professionals from around the world attend the industry's premier education, networking, and solutions event. The conference features over 500 speakers, hundreds of exhibitors displaying the latest products and services, social and networking events, and professional development courses taught by leading instructors.

In 2012, A&WMA brings the Annual Conference & Exhibition to San Antonio with the theme of "Leading Environmental Frontiers". This theme is reflective both of the state of Texas and of the conference. Leading environmental professionals from around the world will be presenting and discussing the latest developments on key local and global environmental topics.
